Weekly Summary

Compared to last week's market: all weight class average prices of both feeder steers and heifers from 400 lbs and down ended fully $8 to $10 higher while those classes over 400 lbs finished $ 4 to $6 higher. Slaughter cows on the lower yielding stay firm with last week while the higher yielding cows finished $4 stronger. Slaughter bulls continued to reflect last weeks figures.

It appears the feeder calf demand continues to pay little attention to a roller coaster feeder board as buyers continue to remain optimistic and aggressive in securing inventory. Buyer aggression today was strong and aggressive.
