Mental Health Awareness Month

There are very few people in the World that have not been touched by this very real health issue. Listen to the ones that assist those in need on a daily basis and learn the facts concerning mental challenges.

Mental Health Awareness Month has been observed in the U.S. since 1949. This month has been the cornerstone of addressing the challenges faced by millions of Americans living with mental health conditions.

Mr. Lynn Rutland is a man of faith born and raised in West TX-now living in East TX. He has been married to his lovely wife, Tami for 33 yrs. They have 5 married kids & 17 grands! Within the 17 are five kids that their family adopted from the CPS system. Mr. Rutland & family reside in Bullard, TX. In 2022 he was invited to lead the Andrews Center as CEO for a transitional season. He is roughly 1/2 way through his commitment, as he plans to lead the mental health community through the 89th Legislative Session. He recently celebrated 50 years of public service-both in the mental health community/disability field and in the ministry of the local Church.

He received the 2003 "Leader of the Year Award" presented by the Leadership San Angelo Alumni Association.

His favorite pastime is tending to his flower beds and sitting in his lazy boy!
