Weekly Summary

Compared to last week's market, all weight class averages of both feeder steers and heifers ended fully \$6 to \$8 higher with some front-end classes up to \$12 higher. The slaughter cows and bull demand also strengthened and showed to be around \$3 to \$5 higher.

As summer and good weather approaches, the feeders are pushing to secure inventory for both grazing and feedlot empty pens. The competition between the feeders has once again ramped up as we are witnessing a strong demand for our feeder cattle.

NEXT WEEK— 135 F-1 BRAFORDS – AGES 5 TO 7 YEARS – 50 PAIR/85 FALL BRED COWS

COMMENTS

Today's market had a little variation compared to last week. Steer cattle under 500 lbs would be several dollars higher and heavier cattle would be mostly steady. Heifer cattle across the board would be 5-10 cheaper. These changes would greatly increase the price gap between the girls and the boys. Packer cows would be a few dollars cheaper and bulls steady. Still very moderate demand for stock cows. We appreciate everyone for making another great sale! Thank you!
