#### Weekly Summary

Compared to last week's market, all weight class averages of both feeder steers and heifers weighing 400 lbs and down ended fully \$8 to \$10 higher. Those weight class averages over 400 lbs showed to be mostly uneven to \$4 lower. The slaughter cow demand remains strong with todays figures around \$3 higher while the slaughter bulls stepped up about \$5 higher.

The futures board continues it pendulum moves posting ups and downs but the market demand, momentum and optimism continue to discount any swings posting strong, healthy feeder figures.

### COMMENTS

With our first week of no rain in 6 weeks, we welcomed lots of new crop calves. Today's light weight steer took the driver seat over heifers and heavier feeder cattle. Overall market would be a touch stronger on anything under 550lbs. Packer cows and bulls several dollars higher as well! Very good demand for fancy replacement cows. We appreciate everyone and will see y'all next week. \* NEXT WEEK \* 180 head of 8 weight steers and heifers!
