Weekly Summary

Compared to last week's market, all weight class averages of both feeder steers and heifers ended fully \$5 to \$8 higher. Slaughter cows and slaughter bulls ended firm with last week's figures on a good offering.

The demand and market figures continue to amaze even the analysts. There appears to be no holes in the figures or the demand. Half full feedlots with a friendly USDA Cattle of Feed report last Friday continue to add fuel to the fire on our feeder calf demand.

COMMENTS

Rainy days did not slow the market much! Packer cows steady and bulls a dollar or two cheaper. Stock cows are very strong as highlighted today with the sale of some very nice crossbreds. Lightweight cattle would be a few dollars higher and 5 weight cattle and up would be a dollar or 2 cheaper. Huge swings in the CME have everyone being pretty reserved, holding the market steady. We appreciate everyone braving the mud and we will see yall next week!
