Weekly Summary

Compared to last week's market, all weight class averages of both feeder steers and heifers ended \$3 to \$5 higher. Both slaughter cows and slaughter bulls finished today with about a \$2 advance over last week's market.

Last Friday's cash trade reached \$1.95 up North which was a record high. Market analysts remain optimistic stating the cash markets are on solid ground. Strong demand and feeder shortage continue to fuel this high feeder market.

COMMENTS

Quality and quantity of cattle offered today would be significantly better than previous weeks. Yearling market was very strong on all fronts and all classes of cattle. Momentum of fall bred cows has been full steam ahead and loosening just a touch on heavy bred. Packer cows and bulls are stronger again this week as well. Large receipts and some large checks will be this weeks highlight. We really appreciate the opportunity to work for you! See you all next week!
